

School Meal Update: All Montrose County School District (MCSD) school-age students will eat free until the end of December. In-person students can pick up meals in the traditional manner on campus. Starting Tuesday, 9/15/20, all online and hybrid students learning from home can pick up meals at the following two locations and times:

- Drive through pickup at **Olathe Elementary School**: Monday through Friday from 11:00 AM – 1:00 PM.
- Drive through pickup at **District Office** (930 Colorado Avenue, Montrose, CO 81401): Monday through Friday from 11:00 AM – 1:00 PM.

Parents may pick up student meals without the student present and families no longer need to order online each week. While families are no longer required to fill out the USDA Free and Reduced Lunch application in order to be eligible for free school meals, MCSD asks that you still complete the online or paper application (picked up at school or found at www.mcsd.org) as completion of this form will affect our future federal funding
